

R.S.C.D.S. Winchester Branch - October 2022

Hello Dancer,

This message is to update you with news from our recent Branch committee meeting.

St Andrew's Dance, Sunday 27th November 2022, 2.30 to 6 pm.

Tickets are now on sale at £6 for the St Andrew's Dance. The flyer is attached with details of the St Andrew's themed dance programme and payment methods. We will be practising the dances at Tuesday classes in the coming weeks. If you've rarely (or never) ventured to a social dance Wendy can advise on the most straightforward dances and offer a reduced price ticket for that part of the programme. Contact wendy@mumford.com

Communications with Members

We have decided to officially retire our Telephone Tree for urgent communication with dancers as so many of our class members now use email. In the event of a sudden cancellation of a class or an event, Jenny will forward an email to all dancers. This is likely to be a very rare occurrence but please check your email before leaving home to prevent a wasted journey.

Winchester Ball, 30th September 2023

The committee reviewed this year's ball and came to a decision that a lack of resources dictates that we have to make changes for next year. For 2023, we will keep the live music for dancing which we enjoy so much but dispense with providing supper. As we no longer need the extra space and kitchen facilities, we can hold the dance at our regular venue of St Peter's School Winchester.

Regards, Camilla

Winchester RSCDS Chair
